

A combination roll-off/portable toilet with a truck that can service both, can make you stand out and open a lot of doors for you.

Including business ownership

The redbox+ franchise system is just what you need to be your own boss.

The innovative redbox+ franchise system has everything you need to become part of the \$51 billion dollar waste management industry.

redbox+ franchises are available now and over 30 territories* are already owned. Don't miss your opportunity.

- Control your own destiny
- Invest in your own future
- Live the dream of owning your own business
- redbox+ can do it all – commercial, residential, industrial!
- Tap into an exclusive US Patent and give yourself a leg up on the competition
- Two services one truck – efficient, affordable and unique
- redbox+ units are perfect for new construction, remodeling, roofing, flood and fire clean up

*As of April, 2014

Truck mount pump package provides added efficiency and cost effectiveness.

Franchise now and be your own boss

redbox+ franchising gives you:

- A strong brand, with a proven system
- Local presence on national website
- Repeat relationship – you build relationships with service providers in the industries that need roll-off/portables every week
- Franchise network to provide advice and support
- Plus a unique competitive advantage – two services, one truck!
